

Forgiveness in Our Hearts

Sunday, February 21, 2010 broadcast of TAKE NO PRISONERS

To our friends and courageous patriots everywhere,

We thank you for your kind words after last night's broadcast of TAKE NO PRISONERS. Apparently the nation was mesmerized by the response already received in very high places to The Restore America Plan.

If you have friends or family who don't quite understand the importance of the Plan to save America and the world from catastrophe, or fellow patriots who are addicted to being in opposition, we suggest downloading the broadcast and motivating them to give it a listen (links to the download follow).

They will hear, from the horse's mouth, how the EYES OF THE ENTIRE WORLD ARE UPON US, as tragic events unfold around the globe. They will hear about troop activations and offshore positioning. They will hear about troops who are rejecting the call to martial law. They will hear how the people in power are NOW ACTIVELY SEEKING THE SOVEREIGN PEOPLE to save the world from disaster.

And if they still have any doubt that THE MARCH 31 DEADLINE TO AVOID CALAMITY IS VALID here's a Citibank alert notifying customers of withdrawal restrictions to begin April 1...

"Effective April 1, 2010, we reserve the right to require (7) days advance notice before permitting a withdrawal from all checking accounts. While we do not currently exercise this right and have not exercised it in the past, we are required by law to notify you of this change."

Folks, in a few short weeks, every republic will have a duly seated de jure grand jury and chapter of the Guardians of the Free Republics. Then just SIT BACK AND WATCH THE PLAN UNFOLD as the era of illicit corporate governance comes to an end.

Thank you for reading and would you please CIRCULATE THIS EMAIL FAR AND WIDE.

Peace and Grace to all,
