The Most Important Email I've Ever Sent...The Final Remedy

http://educationcenter2000.com/The_Final_Remedy_Sam_Kennedy.htm

To my friends, fellow patriots and lovers of freedom worldwide:

Some time ago I promised a final remedy to enslavement at the hands of corporations posing as legitimate government. Well, the time has finally arrived. This is the most important email I have ever written and it represents an end, once and for all, at the source, to the swat teams, arrests, foreclosures, garnishments, seizures, tax prosecutions and hardships which result from failing to pray to corporate institutions or exhibit evidence of subject-class citizenship.

This Sunday night at 8 PM on TAKE NO PRISONERS (Republic Broadcasting Network), I will be joined by the leaders of the freedom movement for the high honor of bringing you – without commercial interruption - an end to economic warfare and political terror by March 31, 2010. In two months, we can, and will, be free, with your assistance.

The Restore America Plan is not a patriot scheme. IT WAS PROPOSED TO US BY THE MILITARY MORE THAN A YEAR AGO. Having developed the necessary tools, we are now ready to execute the plan beginning Sunday night.

If you truly desire to restore the posterity and end your problems once and for all, I invite you to tune in Sunday Night and more importantly, to contact everyone on your freedom email list. Sunday night we begin the methodical process of re-inhabiting the original de jure institutions (which never ceased to exist) of the free American republics quickly, quietly, efficiently and peacefully, and without the need for re-educating the unconscious public or loud proclamations that are sure to evoke resistance and violence.

Very simply, the Restore America Plan will reverse the wicked deeds of 1933 and 1865 BEHIND THE SCENES, with the same cleverness the bankers used to remove money, law and dignity, and without disturbing the peace. We, the sovereign People, will be in charge as the ONE AND ONLY LAWFUL AUTHORITY ON THE LAND. Not just in name, but in reality.

Even if the plan had not been proposed by the military, the very nature of re-inhabiting the lawful de jure institutions of government is itself the victory we have

all been seeking. Actors throughout the United States Federal Corporation understand they must ultimately defer to the de jure authority on the land when properly assembled and credentialed in sufficient number.

And so does the military –which is why they made the offer. The responsibility is enormous – and so are the risks if we fail. THE MILITARY HAS CHARGED US WITH THE HIGH RESPONSIBILITY OF ENDING THE SPIRAL TO WORLD WAR III being orchestrated by the Rulers of Evil. Never have men borne such responsibility. We are the last best hope for mankind. Essentially, we have been asked to provide the military with an alternative to a corporate CEO as their commander, and to re-inhabit all the de jure institutions that have been pre-empted from governance.

And...we...will. Folks, it is time to step-up to the plate. It is time to be part of the solution instead of the list of perpetual victims. Your future and the future of your children are in YOUR hands. A line has been drawn in the sand. If we fail to come together and accept responsibility, there will be no one else to blame. There will be no more excuses. The future IS ours to create. Either we seize the brass ring or slink away into obscurity.

That is what we are bringing you Sunday night on TAKE NO PRISONERS at 8 PM Eastern Time. No less than a moment of epochal importance in the world history. That is why the network so graciously dropped commercial messages. All of the details and materials have been planned, worked-out and implemented from first presentation to enforcement. We are ready to close the deal. I hope you will join me and my very special guests for this live commercial-free broadcast.

TAKE NO PRISONERS is carried live every Sunday night at 8 PM EST on FM stations around the nation, on Shoutcast (using the free Shoutcast application on iPhones and other handhelds), and live on the internet at:

Wishing you a blessed day and tomorrow.

D-Day Has Arrived

To my friends, fellow patriots and lovers of freedom worldwide:

Let me take a moment to answer some of your questions prior to tomorrow (Sunday) night's broadcast of TAKE NO PRISONERS. Emails have been pouring in from around the world anxiously awaiting the broadcast.

Tomorrow night's program is an epochal event in the history of mankind. I will not be alone. I will be joined by the greatest and most courageous of America's heroes.

In short order—with your help—we WILL be re-inhabiting the de jure (that means original) lawful institutions of government that have been pre-empted by de facto (that means replacement) corporations posing as legitimate government. And we will do it peacefully, quietly, quickly and non-violently using a methodical strategy based upon an offer from high-ranking members of the armed forces who seek an alternative to World War III. In fact, many inside the corporate government are dying for us to intervene. We are it folks, the last best hope for mankind.

And we will respond accordingly. The success of the Restore America Plan is already ensured. It is self-authenticating. It is not about providing you with information so you can continue to struggle along on your own. It is not about attending seminars to learn more information (with apologies to all those who have already started to condemn our intentions). The Restore America Plan is an action strategy being put into play next week which will culminate in the re-inhabitation within two months (March 31).

In coming forth publicly, we are seeking leaders who wish to step forward and be part of the restoration. The time to step-up to the plate has arrived. If you decide to sit back, you will be waiving the right to make further excuses or blame others. Understand, just as the changes in 1933 behind the scenes affected all of your lives in drastic ways, our behind the scenes restoration will also affect your lives in drastic ways, by eliminating foreclosure, tax prosecutions, highway molestations, and all the other evils of corporate governance, and by restoring the framework for spiritual morality. If you can't visualize such things, then you need not even pay attention. Just continue to go about your lives. For the overwhelming mass of

sleeping Americans lulled into unconsciousness by decades of cultural amnesia, there will be as little recognition of the changes in 2010 as there was in 1933.

Only people who have taken the time to educate their palates sufficient to discern the remarkable changes in law behind the scenes will have the pleasure of experiencing the restoration in a palpable way. All the rest will experience the benefits, but without conscious awareness. Those who are truly discriminating will understand that we have restored the posterity, and we have done so with forgiveness, charity and love in our hearts.

But make no mistake about it. When we re-inhabit the original, lawful, proper, de jure non-corporate, non-territorial, land-based institutions, WE become the one true only lawful authority for the United States of America.

Just as it's always been.

But this time, we'll be acting the part and accepting the enormous responsibility.

With your help.

Are you game???

That's tomorrow night, Sunday, live at 8 PM Eastern time on FM stations around the nation, on Shoutcast (using the free Shoutcast application on iPhones and other handhelds), and live on the internet at:

Wishing you a blessed day and tomorrow.

Recording of Sam's Broadcast Sunday Night

To my friends, fellow patriots and lovers of freedom worldwide:

First, let me apologize for some of the difficulties accessing tonight's broadcast of TAKE NO PRISONERS. The enormous size of the audience exceeded capacity and brought down some of the re-broadcast facilities. I must also apologize for some technical difficulties we experienced at the beginning of the broadcast due to the clogging of the phone lines.

Here are some links to download both hours of a recording of tonight's broadcast provided by a listener. As time is of the essence, I hope you will give it a listen as soon as possible:

We will continue our discussion of The Restore America Plan on next week's broadcast of TAKE NO PRISONERS. Folks, the call-in line listed at the Republic Broadcasting Network website is NOT for listening to the program, but for callers to ask questions and participate. The best way to listen is on the internet (tonight's problem was extraordinary), either at the RBN website or through Shoutcast. The Shoutcast app on iPhones and Blackberry's is another way to listen live. Just search for Republic Broadcasting Network through the app.

The email to join the Guardians of the Free Republic and become a juror on the De jure Grand Juries is:

TheRestoreAmericaPlan@gmail.com

Please mark the subject line either:

WISH TO JOIN – name of your republic (e.g. Ohio)

WISH TO COORDINATE – name of your republic (e.g. California)

A coordinator is someone who is determined to, and can secure at least 26 member/jurors for the assembly across the intended state/republic, ideally over a two week period of time.

Also, please include your phone number in the body of the email, especially those seeking to coordinate.

Those of you who wish to join will be contacted by the applicable state or regional coordinator. Those who wish to coordinate will be contacted by a Guardian Elder or one of our associates. PLEASE BE PATIENT regarding our response. We are already swamped with emails.

I thank each and every one of you for your interest in The Plan, and look forward to working in unison and harmony as we re-inhabit the institutions of our forefathers in service to the Creator.

On behalf of the Guardian Elders, we ask that you circulate this email as widely as possible, and wish you the Lord's blessings and abundance.
