Federal officials have made war on the People, violated their natural and constitutional rights, exceeded the limited powers delegated to them under the Constitution, and betrayed their oaths to faithfully fulfill the provisions of the Constitution and to execute just treaties, laws and contracts pursuant therefore as the people of Rhode Island State we make this Petition: "Statement of Grievances and Demands for Redress"

Declare your sovereignty under the Tenth Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States; and be a part of our opportunity as one of the **people of Rhode Island and Providence Plantations** to end enslavement.

The Tenth and the Ninth Amendments assure that **we the people** of Rhode Island State and each sovereign state in the Union of States, now have, and have always had the right to oppose unconstitutional encroachments by the federal government. States need not implement in their States the federal government's lawless usurpations. Article IV, Section 4 says, "The United States shall guarantee to every state in this Union a republican form of government", and the Ninth Amendment states that..."The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by **the people**".

Sign this petition to make it known to the law makers of Rhode Island State that The United States shall guarantee to every state in this Union a republican form of government and that federal government may not usurp or declare your sovereignty under the Tenth Amendment to the Constitution of the United States over all powers not otherwise enumerated and granted to the federal government by the Constitution of the United States; and be a part of our opportunity as one of the **people of Rhode Island and Providence Plantations** to end enslavement at the hands of corporations posing as legitimate government; and an end, once and for all, at the source, unlawful and unconstitutional, arrests, foreclosures, garnishments, seizures, tax prosecutions and hardships which result from failing to pray to corporate institutions or exhibit evidence of subject-class citizenship.
